TamalpaisBank

Tamalpais Bank operates 7 branches throughout Marin County offering banking products for both personal and business clients. The Bank also offers SBA and Commercial lending options including equipment purchases, real estate and business loans. Residential loans are now available and provided through First Cal Mortgages.

Tamalpais Wealth Advisors provides customized wealth and investment management services for high net worth individuals and institutions. At Tamalpais Bank, we build strong relationships and deliver an outstanding overall banking experience that offers the right solutions for our clients.
